

Monetary Authority of Macao – Press Release

Monetary and Financial Statistics – July 2008

According to statistics published today by the Monetary Authority of Macao, on a monthly basis, deposits in banks recorded an increase in July. Although public sector deposits continued to grow, domestic credit to the private sector rose at a faster pace, resulting in a substantial gain in total domestic credit (domestic credit to the private sector + credit to the public sector – public sector deposits).

Money supply

Currency in circulation increased whereas demand deposits noted a decline. M1 thus dropped slightly by 0.8% month-to-month. On the other hand, quasi-monetary liabilities rose 2.5%. As a result, the sum of these two items, i.e. M2, increased 2.1% to MOP186.4 billion. On an annual basis, M1 and M2 grew 13.5% and 3.5% respectively. In terms of currency structure, the shares of Pataca (MOP) and Hong Kong Dollar (HKD) in M2 stood at 28.2% and 52.4%, down by 0.2 percentage points and up by 0.7 percentage points over a month ago respectively. Compared with a year earlier, the share of MOP increased by 0.8 percentage points whereas the share of HKD declined by 2.4 percentage points.

Deposits

Resident deposits increased by 2.1% month-to-month to MOP182.2 billion; of which, other foreign currency deposits slid 0.5% while MOP deposits and HKD deposits rose at respective rates of 1.2% and 3.5%. On the other hand, non-resident deposits amounted to MOP74.5 billion, down 0.4%. As a result, total deposits with Macao banks increased by 1.3%. The shares of MOP and HKD in total deposits were 19.7% and 45.0%, respectively, to MOP50.6 billion and MOP115.6 billion.

Net foreign assets

Net foreign assets held by the Monetary Authority of Macao (AMCM) at end-July 2008 reached MOP132.7 billion, up 1.5% month-to-month or 28.3% year-on-year. At the same time, net foreign assets of local banks rose 0.7% from the previous month to MOP89.2 billion.

Domestic credit

Domestic credit to the private sector increased 4.5% month-to-month to MOP88.1 billion; of which, MOP17.9 billion was MOP-denominated and MOP61.3 billion was denominated in HKD, representing 20.4% and 69.6% respectively of the total. Public sector deposits placed with banks and the AMCM totalled MOP85.2 billion, equivalent to an increase of MOP2.4 billion from June 2008. Total domestic credit, after deducting public sector deposits, rose to MOP2.9 billion in July 2008.

With regard to currency denomination, domestic credit to the private sector in MOP, HKD and other foreign currencies increased by 0.3%, 4.2% and 17.1% respectively. At end-July 2008, the loan-to-deposit ratio for the resident sector grew by 1.0 percentage point month-to-month to 45.4% while the ratio for both resident and non-resident sectors stood at 62.8%, down 0.1 percentage point.
